Hey Miss Roer!

Here is this clearer for you now?

Can you trade State Farm? Check the index...

DOCKET 400.

So here's another ICEBERG for you to digest.

- I posted them on the 8TH of August in 2020, in the prior.
- They won't give me back my f**** tapes...
- Fail to respond... even hang up on me, so maybe...

I'm a little pissed off as well. about these Keebler elves running up and down the stairs, three times a day reporting on my every move for a year..

THESE are FRIENDS OF MINE, below...

- I invited over, and willfully I flew them to the other side of the World as well.
 - All of them... even the girl who took the photograph, and my buddy in the bathing suit as well.

....

These I did not invite onto my life.

....

21. At approximately 12:20 pm on April 21, 2020 I heard Defendant creeping around the Building. There was music blasting from his apartment but I also heard him come upstairs. I later found a blue paper face mask draped on the stairs up to the 4th floor of the Building.

22. On April 27, 2020, Defendant had the door to his apartment wide open while I was taking my trash out – his apartment stunk of cigarette smoke even though this is a non-smoking Building. He then started banging on the radiator and I wondered if he was going to flood the building again.

Do something.

- Last night 4/2 was outrageous, he started hammering after 9 PM And KEPT going until 10:27 PM interrupted his hammering to have a screaming fight with neighbor on the 4th floor who was

14. After the incident on April 12, 2020, my neighbor in apartment 3BR left the apartment to go stay with her mother in California. Another neighbor moved out as well as a result of Defendant’s behavior.

15. On April 15, 2020, Defendant repeatedly slammed his door closed and his window open – at 2:30 am. He then began screaming “who f*&^ing broke my f*&^ing
