I GOT CAUGHT...

There was music blasting from his apartment but the resident heard him come upstairs. The resident later found a blue paper face mask draped on the stairs up to the 4th floor of the Building.

33. On April 27, 2020, Defendant had the door to his apartment wide open while another resident was taking out their trash out and the resident could smell that his apartment stunk from cigarette smoke even though the Building is a non-smoking Building. Defendant then started banging on the radiator.
